

## Scholarships for iPads for Children with ASD

### 1. Babies with iPads:

- This site purchases and receives donations for iPads for children with significant developmental and/or medical issues. The grants are rewarded as the funds are available.
- <http://babieswithipads.blogspot.com/p/babies-with-ipads-grant-application.html>

### 2. Conover Company:

- The Conover Mobile Technology Grant is designed to improve people with disabilities (adults and children) freedom and independence. You can fill out their application online.
- <http://education.conovercompany.com/mobile/grants/>

### 3. Different Needz Foundation:

- This organization raises money throughout the year to fund their grant program. Their grants go to developmentally disabled individuals. You can tell them specifically what you want (such as an iPad) and how much it will cost.
- <http://www.differentneedzfoundation.org/grants/>

### 4. First Hand Foundation:

- First Hand will help children with special needs fund assistive technology equipment (among many other things) that isn't covered by your insurance. They do have financial guidelines.

### **7. iHelp for Special Needs:**

- This program provides iPads and iPad apps to families with children with special needs. They are dependent on school use or personal use.
- [http://www.ihelpforspecialneeds.com/iHelpWelcome/Need\\_An\\_iPad\\_App.html](http://www.ihelpforspecialneeds.com/iHelpWelcome/Need_An_iPad_App.html)

### **8. The Lindsay Foundation:**

- The Lindsay Foundation is a non-profit organization whose primary goal is to assist families with resources necessary to provide medical treatment, therapies and rehabilitative equipment in order to improve the quality of life for their special needs children.
- <http://www.lindsayfoundation.org/>

### **9. Maggie Welby Foundation:**

- This foundation offers grants for children and families that have a financial need for a particular purpose. If awarded, they will purchase the item for you.
- <http://maggiewelby.org/Grants.html>

### **10. Small Steps in Speech:**

- The mission of Small Steps in Speech is to help children with speech and/or language disorders take the steps needed to be better communicators. They offer grants to purchase communication devices (including iPads).
- <http://www.smallstepsinspeech.org/grant-application/individuals/>

### **11. Special Kids Therapy:**

- Special Kids Therapy's mission is to serve children with various developmental, physical and/or emotional difficulties and their families, principally by raising money for therapies and services not covered by private/public insurance. They also have scholarships for iPads with a mandatory iPad and Apps Training Course which is offered free of charge.
